Orthodontic Specialist

TRAVELING TOOTHBRUSH

Dr. Peterson wants to make sure that you are taking care of your teeth & braces during summer break. Join us for our 4th annual “Traveling Toothbrush” contest this summer! Take a picture of yourself with your “Traveling Toothbrush” and mail it, email it or bring it in to one of our offices no later than Monday, September 13, 2010. We will be awarding a portable DVD player and a CD Music System with Iphone & Ipod dock as prizes in the following categories:

Toothbrush That Travels Farthest

If you are going to take a vacation to Europe or South America or perhaps Australia—have someone snap a photo of you and your toothbrush by a city sign or famous landmark.

Funniest/Most Creative/Strangest Location/Cleverest Toothbrush Photo

You don’t even have to leave home to win a prize in this category! We want you to get creative—dress up your toothbrush in a costume, take your toothbrush with you when you go swimming at the beach, get all of your friends together for a “brushing” party or snap a photo of the strangest location you and your toothbrush come across and send it in!—have fun and be creative!

Please include the following information on the back of your photo or in your email: Your name and telephone number, where the photo was taken, the date it was taken, which category you are entering, and any interesting information or comments about your trip! All entries will be posted on our bulletin board, in our newsletter and winning photographs will be put on our web page and in the newspaper.

Enter as often as you like, but each patient can win only once! All entries must be received by 5:00 p.m. Monday, September 13, 2010.
